

Rosebud-Lott ISD

School Health Advisory Council

is seeking new members for 2018-2019 school year

What is SHAC?

School Health Advisory Council (SHAC) in coordination with the school board assists the district in ensuring that local community values are reflected in the district's health education plan. SHAC is dedicated to helping the district students develop the knowledge, skills, and attitudes they need to become healthy, productive citizens.

SHAC consists of parents, students, teachers, school administrators, volunteer organizations, business representatives, health professionals, and community citizens.

SHAC will meet at minimum 3 times during the school year and will typically be after school hours. The first meeting will be **January 31, 2019 at 4pm at the Admin. Building Boardroom.** Please feel free to bring any guests that are interested in becoming members.

If you are interested in serving on the Committee, please complete the application below and mail, email, or hand deliver it to the District Nurses office at RL High School/Middle School:
